Dear Manager / Owner Name.,

At GiftCards4Change.org we are a nonprofit 501(c)3 driven to help individuals in need and make investments in our local community. Our donation model is unique because it focuses exclusively on gift cards and their power to transform lives.

At GiftCards4Change we believe the gift card represents a unique and ambitious way of giving, and we are committed to the meaningful expansion of charitable giving by monetizing on the 1+ billion dollar a year opportunity that remaining gift cards balances represent.

We have experienced first-hand the impact that remaining balance gift cards have on individuals, and communities in need. Our mission is to continue collecting what is commonly undervalued (low balance gift cards) for the under-served and build on our efforts to change the way people value their capacity for impacting their communities.

Your gift card donation will help feed and clothe children in need, it will provide shelter and assistance programs for the homeless, enhance programs and services to those with disabilities, as well as provide medication aide programs for children and the elderly. We also fund efforts to assist domestic violence victims find a safe place to live and invest extensively in eliminating human trafficking.

We could really use your support to help people in our community and respectfully ask you to consider donating a gift card, in kind products, or services to help us achieve our mission to transform lives.

I would be happy to provide you with any additional information you require and answer all questions you may have about how your donations will be used. Please feel free to call or email me anytime. My contact information is listed below.

We deeply appreciate your time and consideration in reviewing our request, and we hope you will consider making a donation to our organization. If you would like to make a donation please send back your donor information sheet, and gift card donation in the enclosed self-addressed envelope.

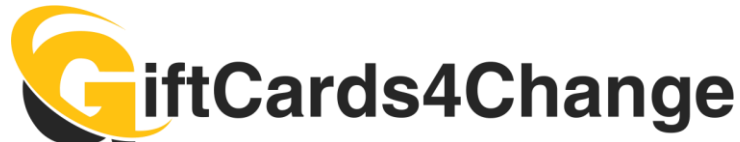

Thank you
